Skills

Programming Languages: C++, JavaScript, Python

Web Technologies: HTML, CSS, React, Node.js

Databases: MySQL, MongoDB

Tools: Git, Github

Operating System: Windows

Internships

CYBER XIELD ([web developer intern](#))

- It is a software developer company located in gurgaon in which i worked as a web developer intern for 1 month.
- During this internship we worked in a group of 5 people on a live project and developed a website for the company.

IBM SKILL BUILD([Front end developer intern](#))

- During my six-week IBM Skills Build Summer Internship with CSRBOX , I gained practical experience in front-end development.
- I developed and enhanced my skills in HTML, CSS, and in JavaScript, working on real-world projects and collaborating with industry mentors.

Projects

[Myntra Clone](#)

- In this project I used react to build the front-end , making the website fast and interactive.
- Users can browse through different categories of products like clothing , shoes and accessories.
- The website also allows users to add products to their shopping cart and proceed to checkout.

[MERN Stack E-Commerce Website](#)

- Developed a full-stack e-commerce platform using MongoDB, React and Node.js .
- Integrated a responsive front-end with React, utilizing Tailwind CSS for styling and Bootstrap for responsive components.
- Built an admin dashboard for product management, enabling features such as product addition, deletion, and updating in real-time.
- Implemented user authentication and authorization, enabling secure login and account management.
- Integrated Stripe API for payment processing, ensuring secure and efficient transactions.

[Personal Portfolio](#)

- A collection of Projects showcasing my skills in software development, including both front-end and back-end technologies.
- My portfolio features a variety of web applications built using React, JavaScript, Projects include a Myntra Clone and E-commerce Platform with features like user authentication , product browsing cart functionality and secure checkout.
